Hi Mike,

Yes, we are trying to plan on our end right now. Looks like the truckers and sympathizers are planning a slow roll for the next three days in the area of the Ambassador Bridge to simply clog up the main arteries to the bridge, but we may be looking at an attempt to shut the bridge down on Monday.

Good day Jason, I hope all is well with you.

Jason, have you heard any rumblings on a sympathetic protest at the Ambassador tomorrow?

Thank you,

Mike
